

## Delta Hospital and Community Health Foundation Scholarship Guidelines & Criteria

### INTRODUCTION

Since 1988, the Delta Hospital and Community Health Foundation (DHCHF) has worked with the community to raise funds to support Delta Hospital. We are the public face and philanthropic arm of Delta Hospital, raising the financial resources necessary to provide quality and innovative health care services, purchase much-needed state-of-the-art equipment, fund capital projects and building improvements, and support ongoing education of medical staff that government funding alone cannot provide.

This scholarship of **\$1,500.00** is awarded annually to a deserving student pursuing post secondary education that has, through their actions, shown a caring and compassionate nature and actively serves the community.

Certain factors have a major bearing on an applicant's success, such as participation in extracurricular activities, engagement as a volunteer and demonstrated leadership capacity.

### ELIGIBILITY

Any Grade 12 student residing in Delta who is advancing to post-secondary education may apply. Preference will be given to those students planning to pursue a career in healthcare or philanthropy. Relatives of DHCHF staff or Board of Directors are ineligible.

### DOCUMENTATION

The following documentation is required:

1. The completed application form.
2. A personal letter from the applicant outlining the intended course of studies, the reasons for pursuing this career direction, the institute selected or being considered, and any significant contributions made to the school or community.
